Standard Door Prep instructions

Functions

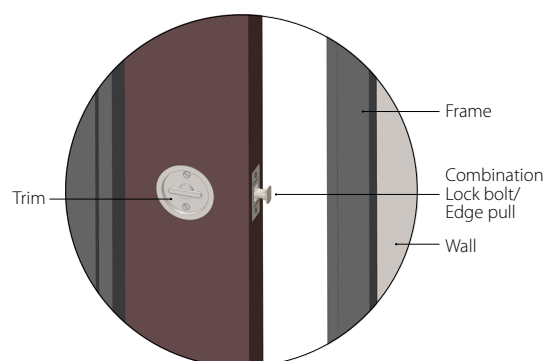

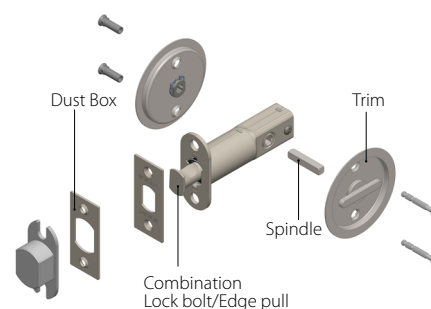

Privacy Lock with Edge Pull: PD2062

Spring-loaded edge pull activated by pressing on front end. Edge Pull rotates inside strike acting as deadbolt. Rotate thumb-turn on recessed trim to lock or unlock Deadbolt/Edge Pull inside strike. Push Deadbolt/Edge pieces back into lockcase when not in use. Emergency release via coin turn from outside.

Passage/Edge Pull: PD2061

Spring-loaded edge pull is activated by pressing on front end. Recessed flush trim to assist closing and opening of door. Push Edge Pull back into lock case when not in use.
